Tartars Suffer 34-25 Loss To Santa Monica

Just after the Bee game last Friday evening, the Tartars dropped a 34-25 loss to Santa Monica.

This was the first big league game of the season and it was a thriller.

The Tartars never stopped fighting all through the ball game. Aramis Dandoy of Torrance and Kanan of Santa Monica were high scorers for each team. Dandoy scored 10 and Kanan 14. Chic Cope of Torrance was the big "spark plug" of the game, however.

The whole Torrance Basketball season so far has been pretty rough, but it could be a lot better if they would only have a little support. The turnout at some of the games has been very poor. Their next game will be Friday evening against Beverly Hills at Torrance. So let's all turn out to see the mighty Varsity. **BEE GAME**

Coach Wolfe's mighty Tarbabes went down to a 24-16 defeat at the hands of Santa Monica. The game was played last Friday night at Santa Monica. This was the first big league game of the year.

Sherman Rathburn was high point man for Torrance. Sherman scored 13 points and Guerrero of Santa Monica scored 14.

At the very beginning of the game Torrance was completely outscored and outclassed. It might be compared with a game between the Varsity and the Bees. The Bees by no means played a sloppy game, however. The Bees' next game will be against Beverly Hills tomorrow evening at Torrance.

CEE GAME
Last Friday evening the Cee's defeated Santa Monica, 25-17 for their fifth consecutive win. This was the first big league game of the 1950-51 season.

Bill Summers was high point again for the Cees. Bill scored 9 points. The Cee's by far played their best game of the basketball season. They really looked great and you can expect to hear much about the mthis year. Their next game will be against Beverly Hills after the Dee game.

DEE GAME
Just before the Cee game, Coach Welch's Dees defeated Santa Monica 28 to 16. This was the first big league game in the 1950-51 season also.

Fred Clarie was high point man of the game, having scored 11 points. The Dees didn't seem to miss their first string forward, Roy Turner, who was promoted to the Cee squad, as much as earlier when the Dees lost to Narbonne. Their next game will be against Beverly Hills at Beverly Hills.

What To Expect In New Homes

Building which set new records during 1950 faces curtailment in 1951, according to industry experts.

But they are not agreed on the extent of the reduction. Housing starts are expected to be cut rather sharply as a result of credit restrictions, but some of this may be made up by other forms of construction.

An unknown is the extent of expansion by industry. Government economists are urging that steel, aluminum and many other industry capacities be stepped up at once. Heads of big corporations disagree, but some admit they may be forced to build new plants.

Washington authorities believe enactment of Regulation X, forcing higher down payment on homes will reduce housing starts in 1951 to about 850,000 from the 1,300,000 in 1950. The latter figure compares with 1,025,100 in 1949.

The Dodge Corporation estimates total construction will drop by 19 per cent in 1951 with residential down around 35 per cent.

W. H. Upson, Jr., president of the Upson Company of Lockport, N. Y., said he would not be surprised to see the decline go beyond 35 per cent and force emphasis on low-priced homes.

According to Myron T. Matthews, vice-president of the Dow Service, the construction picture is not as gloomy as many predict.

Matthews cited figures anticipating a decline in all building from \$27,500,000,000 in 1950 to \$23,000,000,000 in 1951. Of this, he said, residential would fall to \$8,000,000,000 from \$12,000,000,000, going to somewhere around \$7,000,000,000 by early 1952.

Rooted chrysanthemum plants in now being transplanted to your garden. The chrysanthemum is the Queen of the autumn garden and no California gardener should be without at least a few plants, or rows if space allows. If you have the ambition . . . and like adventure . . . try one of the Cascade varieties. It's the way to increase your gardening pleasure.

Aluminum josh wrapped around wet paint brushes keeps bristles pliable for several days.

1st Conference Game Won By Camino Cagers

Using their favorite weapon, coming from behind, the Warrior hoopsters opened the 1951 Metropolitan Conference season with a thrilling 53-51 conquest of the Bakersfield Renegades. The tilt was played in Bakersfield last Friday evening.

Paul Held climaxed a Warrior uprising, which had overcome a 10 point 'Gades lead, by dropping through a field goal in the last 15 seconds of play. Bakersfield brought the ball down court and called time out with 3 seconds left to play. As play resumed, the ball was thrown in to a Renegade guard standing 35 feet away from the bucket, and his shot slithered off to the left of the ring as the final buzzer sounded.

Jim Cline poured through 16 points to lead El Camino's scoring, but he was overshadowed by the 19 point barrage of Lowell Reynolds, ace 'Gades center.

At halftime the Warriors trailed by 29-25, but they were steadily closing the gap as the half ended. The Renegades started fast in the second half, regaining their 10 point lead, but a spirited El Camino squad whittled the lead down in the last few minutes.

TIED 3 TIMES
The score was tied 3 times before El Camino took a 51-49 advantage and tried to stall out the last 2 minutes. Bakersfield finally got possession of the ball with 30 seconds left to play, and Don Caudle scored to tie up the contest. The ball was whizzed downcourt and Held took it 30 feet out and put it right through the cords.

A partisan Renegade crowd had let up a loud roar when the contest was tied up, but their cheering was in vain as El Camino grabbed their tenth win against 9 losses this season, with a 1 won and 0 lost record in Metro conference play.

Jack Turner scored 13 points, Bob G. Flanagan 9, Willy Shea 7, Bob Chambers 2 and Held 6 to assist Cline in the Warrior scoring parade. For the season, Chambers has a 190 to 180 lead over Cline for the individual scoring leadership. Flanagan has 176 points and Turner 119 digits.

Cline has now scored on 24 out of his last 26 free-throw attempts for a season record of 48 out of 60.

El Camino (53) Bakersfield (51)
Cline (16) F. Caudle (14) Chambers (2) F. Shannon (9) Flanagan (9) C. Reynolds (19) Turner (13) G. Mann (3) Shea (7) G. Kimm (2)
Halftime Score: Bakersfield, 29; El Camino, 25.
El Camino scoring subs—Held, 6. Bakersfield scoring subs—Borghl, 2.

Basketball League Teams Reclassified

At a meeting of managers of the Torrance City-L.A. County Basketball League held 7:30 p.m., Jan. 8 at the Alondra Park gymnasium, reclassification of teams to equalize competition in the second round of play was almost unanimously agreed upon, according to Elmer (Red) Moon, Torrance Athletic director.

Moon and Walter Puffer, Alondra Park recreation director was in charge of the meeting.

Also agreed upon by the managers was an amendment to the deadline provision for adding players to a team. Any team playing a player inducted into the armed forces may replace that player upon presentation of positive proof of the player's departure.

Zinc Oxide Fly Control Debunked

Contrary to current reports, the addition of zinc oxide in chicken feed does not control housefly breeding in manure, according to C. R. Grau, assistant professor of poultry husbandry, and D. P. Furman, assistant professor of parasitology, University of California College of Agriculture.

In response to inquiries from poultrymen, Grau and Furman started a research project to determine the effectiveness of using zinc oxide as a fly control agent.

Several groups of chickens at the University poultry laboratory were fed diets containing different levels of zinc oxide. The highest level fed was ten times greater than that reported to give good results. Another group was fed a diet containing no zinc oxide.

Droppings were collected and sent to the entomology laboratory for fly-breeding tests.

Under direction of H. T. Gordon, assistant insect toxicologist, housefly eggs were added to each of the samples, and hatching, pupation, and emergence to maturity were observed.

Late 18th - century English gentlemen wore a high hat as a "crash helmet" to protect them from the clubs of thugs who roamed the streets. The formal hat as we know it today, developed from that oldtime headgear.

El Camino Cagers Host 3 Games This Week-End

A busy weekend is in store for the El Camino basketballers as they host two of the top Metro Conference quintets—Long Beach CC on Friday night, January 12, and the Knights from San Diego on Saturday eve, January 13. Both games begin at 8 p. m. on the Warrior hardwood. Monday, January 15, the Camminos host the Pepperdine Froshes five locally at 4:30 p. m.

The Long Beach contingent boasts plenty of height, with lads like center Mel Sothan and guard Bob Smith, CIF player of the year last season, and Tine Harde-man. The former two boys tower 6 feet, 5 inches, while the latter is a mere 6 feet, 3 inches.

Accompanying these men on the first five are two small, but speedy forwards, Veteran Ordell Jeglum and freshman Bob Decker. Both boys are about 5 feet, 8 inches, and are deadeyes on both long set shots and drive-ins.

Coach Don Clarkson's San Diego crew has its entire starting five back from last year, but as yet have not reached their top form. In center Hank Fuller, 6-foot, 4-inch giant, the Diegans

have returning the leading scorer in Metro ranks last year, and his early season showings to date this year have shown he has lost none of his point-making ability.

Monday will see a rematch of an earlier season tussle in which the Warriors edged the Pepperdine Frosh 71 to 65 in an overtime period. The Waves will be out to avenge the loss, and the tilt should produce as many thrills as the initial encounter.

Hope for victories by the Camminos rests on the sharpshooting of their two hot-shot forwards Jim Cline and Bob Chambers. The latter is leading his team in scoring with 188 points, and Cline, flashy five-foot, nine-inch, is not far behind with 164.

Pivotman Bob Flanagan at 6 feet, 2 inches, is Camino's tallest first stringer, and it will be his job to try to control rebounds against men two or three inches taller. A lack of reserves seems to be the chief weakness of the Warrior five, and one that will be hard to remedy.

8th Grade Boys To Have 5 Week Basketball Play

Elmer "Red" Moon, Torrance athletic director, has announced the boys basketball league schedule for the 8th grade division.

Sponsored by the Torrance Recreation Department, the games will be played each Saturday for the next five weeks at Torrance High School. This week's play will begin the five-week round robin.

The schedule for this Saturday morning is as follows: 9 a. m., Apaches vs. S. S. Gray-Y; 10 a. m., Stars vs. Walteria; 11 a. m., Vikings vs. Sea Gulls.

Leading scorers of the Torrance City-L.A. County Basketball League as of the first round of play were announced by Elmer (Red) Moon, Torrance Athletic director.

For League 1, they are: Kubo Chisato, Gunga Din team, 3 games played, 49 points. Dave Daugherty, Fenwick Shoe Repair team, 3 games played, 44 points.

Ed Deck (captain), Columbia Steel team, 3 games played, 38 points.

Paul Bennett, Hawthorne Merchants, 3 games played, 38 points.

Roger Packard, Robinson Insurance, 3 games, 31 points.

Dr. E. F. McGrade, Harbor Hospital, 3 games, 13 points.

LEAGUE 2
Martin Dietrich, South Bay Athletic Club, 3 games, 51 points.

Paul Pettit, Lomita Banner Drug Team, 3 games, 50 points.

Chuck Schildmeyer (captain), Lomita Banner Drug Team, 3 games, 48 points.

Jim Halle, Torrance Teachers, 3 games, 48 points.

John Kincannon, Eagles, 3 games, 39 points.

Al Widmer, Torrance Merchants, 3 games, 37 points.

Lloyd Chambers, Marines, 3 games, 19 points.

FRESH CITRUS CUSTARD
1/2 cup sugar
2 tablespoons flour
1 cup scalded milk
1/4 teaspoon salt
2 eggs
1/4 cup fresh orange juice
2 teaspoons fresh lemon juice
1 1/2 teaspoons grated orange peel
Combine flour, sugar, salt and add to scalded milk in a double boiler. Beat eggs and gradually add to mixture. Cook until mixture coats the spoon. Remove from stove and add orange and lemon juice and grated peel. Chill thoroughly. Serve with plenty of sliced oranges around the edges or on top—for added flavor and nutrition.
